Sanctify the Moment with the Gift of an Individual FJMC Sefer Haftarah Portion Commemorative Scroll

Haftarah readings from the prophets have complemented weekday and holiday Torah portions for almost two thousand years. The chanting of a haftarah has become a way to sanctify special moments in people's lives. A Haftarah scroll, like the Torah itself, is a holy object since it contains the names of God. It is to be treasured and never thrown away.

FJMC has developed this traditional idea into an opportunity to enrich Jewish identity for young people and Jewish adults. What makes this FJMC Individual Sefer Haftarah Portion Commemorative Scroll so special? It's easy to read with large size print, vowels and cantillation.

The Haftarah scroll handwritten by trained scribes in Israel on parchment can be inscribed for any occasion, a birthday, a wedding, an anniversary, b'nai mitzvah etc. Or treat yourself and chant from your own Haftarah scroll.

Make the gift of a scroll, a special life cycle event, part of your family legacy, and pass the it on to future generations. Bring the scroll to the synagogue on the anniversary of the event. Use it to teach the Haftarah to your family.
