Succession Planning Training

Discussion Question

What action steps can you take away from today’s session which you plan to apply within your club/region?

• Thanking people for what they do
• Varying events to bring in new people
• Imagine where we want to be in 5 years
• Develop a real plan for succession
• Getting younger members involved
• Use a list of people in the area to reconstitute our club
• Start more in person activities
• Giving new people ownership of programs
