Part IV. Entry Documentation

[Include your entry information in one document or provide one referenced document. If there is substantial documentation which you're providing so other clubs can do the program, but is NOT essential to understanding what the program was or how it was accomplished, please identify such information as 'Appendix' so that Judge does not have to review the material. If you're going to provide electronic copies of pictures, please use a graphic program to reduce the size of the individual photos, and realize that the judges don't know who the people are in the photos, so use such photos sparingly. As the submission documents are distributed to the judges electronically, please convert any written portion into an electronic file. If you need assistance in this, ask prior to submitting.]
